

Key 13: Rosary for Rising Above the Past

In the name of the unconditional love of the Father, the Son, the Holy Spirit and the Mother of Light, Amen.

In the name of the I AM THAT I AM, Jesus Christ, I dedicate this rosary to the manifestation of the Flame of Forgiveness in . . .

(Describe the personal or planetary situations that you want enveloped in the Flame of Forgiveness).

I AM being More

River of Life, abundant flow
with your light I am aglow.

I am flowing—I am growing,
one with your eternal knowing.
Fill my space—with your grace,
I am in my rightful place.
I will BE—forever free,
my God plan I always see.
Sacred dove—from above,
no conditions in God's love.
As I call—light does fall,
raising up the Christ in all.
Life is sealed—all are healed,
God's perfection is revealed.
We begin—without sin,
one with God, we will win.
Life is one—God has won,
a new day has begun.
Sacred light—oh so bright,
everything is now set right.
Earth is free—now to BE,
Freedom's Star for all to see.
Always MORE—than before,
River of Life I do adore.
I AM MORE—forevermore,
the Flow of Life I do restore.

River of life, through the Son,
Father, Mother are as one.

I am free on all Seven Rays

In the name of Saint Germain, Jesus Christ, Archangel Michael and Mother Mary, I now accept full responsibility for my life and my past. I accept that my conscious self is the gatekeeper of what enters my mind, and thus I alone determine how my past affects my present and my future. I now take back my power to overcome all attachments to my past through radical forgiveness of myself. I consciously accept the power of surrendering all attachments to my past, and I unconditionally plunge myself into the River of Life. I lovingly let go of ALL attachments to my past, and I call for the Ma-ter Light itself to be returned to its original purity by the infinite power of the Flame of Forgiveness.

1. God's Will is that I be set free,
his highest vision now I see.
I feel God's Mercy filling me,
and in that Mercy, I will BE.

Refrain:

**As I now follow Christ's own call,
and give forgiveness unto all.
I can let go of hurt and pain,
for what I give, I surely gain.**

**Oh Saint Germain, send violet flame,
consume all fear and guilt and shame.
As we surrender all that's past,
true freedom we will find at last.**

2. God's Wisdom makes it all so clear,
the truth will set all free from fear.
Surrender is the Master Key,
for setting every person free.

3. With no conditions from Above,
God gives to all his Sacred Love.
My own conditions I release,
all suffering will surely cease.

4. God's Purity will set all right,
and bring us out of soul's dark night.
Revenge and anger I let go,
I enter now the Sacred Flow.

5. God's healing Truth now fills my soul,

from all divisions I am whole.
In wholeness I know God's desire
is raising people ever higher.

6. God's Peace I give to every man,
fulfilling Heaven's highest plan.
For as we turn the other cheek,
the Earth is given to the meek.

7. God's Freedom surely will erase
all human error without trace.
As we surrender guilt and shame,
we are washed clean in Freedom's Flame.

8. By being right on every ray,
we are reborn to a new day.
The Flow of Life is now restored,
with God and man of one accord.

9. From figure-eight to sacred nine,
the Light of God will always shine.
The Golden Age is given birth,
God's kingdom is now here on Earth.

Coda:

**Violet flame, let it flow,
saturate all life below,
always flowing, ever growing
upon us all grace bestowing.**

**Violet fire, penetrate,
violet fire saturate,
violet fire purify,
violet fire sanctify,
we are pure, we are healed,
in your light, we are sealed,
forever free
in God to be. (3X or 9X)**

NOTE: Repeat the Coda 3 or nine times for each time you give the decree. Give the entire decree at least one time. You can give it as many times as you like before continuing the rosary.

Beloved Jesus , I love all people unconditionally

1. Beloved Jesus, fill me with your Flame of Peace so that I can let go of all expectations that life should be a certain way. For in allowing my ego to create unrealistic expectations, I set myself up to be disappointed. And thus, my ego can control me through an endless cycle of

hope and despair. I am willing to be at peace, and I love all people unconditionally in all situations from my past.

Hail Merciful Christ

**Oh Jesus, we have eyes to see,
forgiveness will set all life free.
We know forgiving is the key
that leads us into mastery.
And thus we turn the other cheek,
as we the inner kingdom seek.**

we know God has a Master Plan.
For as we reap what we do sow,
we learn to join the Sacred Flow.
We now surrender hurt and shame
and are reborn in Christ's own name.**

I am willing to be at peace, and I love all people unconditionally in all situations from my past.

The ego can make me fear that by letting go of the past, I will lose my identity. I am willing to be at peace, and I love all people unconditionally in all situations from my past.

**Hail Merciful Christ
Oh Jesus, we have eyes to see,
forgiveness will set all life free.
We know forgiving is the key
that leads us into mastery.
And thus we turn the other cheek,
as we the inner kingdom seek.**

For as we reap what we do sow,
we learn to join the Sacred Flow.
We now surrender hurt and shame
and are reborn in Christ's own name.**

I can rise above my past by letting go of the ego's illusions and attachments. I am willing to be at peace, and I love all people unconditionally in all situations from my past.

**Hail Merciful Christ

We now surrender hurt and shame
and are reborn in Christ's own name.**

6. Beloved Jesus, fill me with your Flame of Peace so that I can see through the manipulation of my ego, other people, society and the forces of anti-christ, who all want me to believe that I cannot simply let go of my past mistakes. Help me internalize the absolute reality that by resolving all dualistic beliefs, I gain the power to let go of all attachments to my past! I am willing to be at peace, and I love all people unconditionally in all situations from my past.

We now surrender hurt and shame
and are reborn in Christ's own name.**

7. Beloved Jesus, fill me with your Flame of Peace so that I can let go of the illusion that I need to justify my mistakes and seek to be right compared to others. My only priority is to be right with God, and thus I let go of all desire to be right among men. By letting go of the ego's desire to be right according to its own dualistic standard, I can truly turn the other cheek. This is the master key to setting myself free from the dualistic struggle with other people. I am willing to be at peace, and I love all people unconditionally in all situations from my past.

Hail Merciful Christ

**Oh Jesus, we have eyes to see,
forgiveness will set all life free.

and are reborn in Christ's own name.**

9. Beloved Jesus, fill all people with your Flame of Peace so they can be healed as I have called forth healing for myself. Help all people connect to their higher selves and see their Divine plans and God's immaculate vision for this Earth. Help us gain the perspective of Christ, so we can see that compared to the beauty of God's kingdom, the things from our past are utterly insignificant. Thus, when we let go of the past, we can create a glorious future for ourselves and this planet. We can follow your example on the cross, whereby we give up the ghosts of the past and are reborn with Christ. I am willing to be at peace, and I love all people unconditionally in all situations from my past.

Raise the Earth out of the night,
and keep her always in your light.**

9. Beloved Archangel Michael, fill all people with your Flame of Loving God's Will, so that we can see the reality that you have the power to remove all darkness on Earth in the blink of an eye. Yet because God gave us dominion over the Earth, you can use that power only when we give you the authority to do so. And we can do that only when we are willing to let go of the negative feelings and dualistic beliefs that keep us tied to the dark forces. Only when we are willing to practice unconditional forgiveness, can you remove the forces that pull us into endless cycles of hurting and punishing each other. I am willing to have dominion, and I love God unconditionally in all situations from my past.

**Hail All-powerful Michael
Archangel Michael, free all life,
from all that leads to war and strife.
Expose the forces that do hide
behind the ego's fear and pride.
From blindness clear our inner sight,
let all be seen in truth and light.**

**Archangel Michael, let your power,
erase all darkness in this hour.
Cut all people free from fear,**

**consume all non-forgiveness here.
Raise the Earth out of the night,
and keep her always in your light.**

I am free on all Seven Rays

In the name of Saint Germain, Jesus Christ, Archangel Michael and Mother Mary, I now accept full responsibility for my life and my past. I accept that my conscious self is the gatekeeper of what enters my mind, and thus I alone determine how my past affects my present and my future. I now take back my power to overcome all attachments to my past through radical forgiveness of God. I consciously accept the power of surrendering all attachments to my past, and I unconditionally plunge myself into the River of Life. I lovingly let go of ALL attachments to my past, and I call for the Ma-ter Light itself to be returned to its original purity by the infinite power of the Flame of Forgiveness.

1. God's Will is that I be set free,
his highest vision now I see.
I feel God's Mercy filling me,
and in that Mercy, I will BE.

Refrain:

**As I now follow Christ's own call,
and give forgiveness unto all.
I can let go of hurt and pain,
for what I give, I surely gain.**

**Oh Saint Germain, send violet flame,
consume all fear and guilt and shame.
As we surrender all that's past,
true freedom we will find at last.**

2. God's Wisdom makes it all so clear,
the truth will set all free from fear.
Surrender is the Master Key,
for setting every person free.

3. With no conditions from Above,
God gives to all his Sacred Love.
My own conditions I release,
all suffering will surely cease.

4. God's Purity will set all right,
and bring us out of soul's dark night.
Revenge and anger I let go,
I enter now the Sacred Flow.

5. God's healing Truth now fills my soul,
from all divisions I am whole.

In wholeness I know God's desire
is raising people ever higher.

6. God's Peace I give to every man,
fulfilling Heaven's highest plan.
For as we turn the other cheek,
the Earth is given to the meek.

7. God's Freedom surely will erase
all human error without trace.
As we surrender guilt and shame,
we are washed clean in Freedom's Flame.

8. By being right on every ray,
we are reborn to a new day.
The Flow of Life is now restored,
with God and man of one accord.

9. From figure-eight to sacred nine,
the Light of God will always shine.
The Golden Age is given birth,
God's kingdom is now here on Earth.

Coda:

**Violet flame, let it flow,
saturate all life below,
always flowing, ever growing
upon us all grace bestowing.**

**Violet fire, penetrate,
violet fire saturate,
violet fire purify,
violet fire sanctify,
we are pure, we are healed,
in your light, we are sealed,
forever free
in God to be. (3X or 9X)**

NOTE: Repeat the Coda 3 or nine times for each time you give the decree. Give the entire decree at least one time. You can give it as many times as you like before continuing the rosary.

Mother Mary, I love the Ma-ter Light unconditionally

1. Beloved Mother Mary, fill all people with your nurturing love so we can be whole and overcome all hatred of the Ma-ter Light because it causes us to face the physical consequences of our own choices. Help us recognize that the Ma-ter Light is designed to be a mirror that reflects back to us a physical manifestation of our own state of consciousness. I

am willing to have the abundant life, and I love the Ma-ter light unconditionally in all situations from my past.

Hail Healing Mother Flame
Oh Mother Mary, help us see,
forgiving others sets us free.
Forgiveness will heal every soul,
and thus make every person whole.
In wholeness we are all as one,
and thus our victory is won.

Oh Mother Mary, we do love
our Higher Beings up Above.
And thus, we vow to take command
and bring God's kingdom to this land.
As God's own vision now we see,
the Mother Light we do set free.

2. Beloved Mother Mary, fill all people with your nurturing love so we can be whole and overcome all hatred of the Ma-ter Light because the ego thinks it causes the suffering on Earth. Help us see that the Ma-ter Light can only take on the form projected upon it by God's co-creators, so we create our own suffering. I am willing to have the abundant life, and I love the Ma-ter light unconditionally in all situations from my past.

Hail Healing Mother Flame
Oh Mother Mary, help us see,
forgiving others sets us free.
Forgiveness will heal every soul,
and thus make every person whole.
In wholeness we are all as one,
and thus our victory is won.

Oh Mother Mary, we do love
our Higher Beings up Above.
And thus, we vow to take command
and bring God's kingdom to this land.
As God's own vision now we see,
the Mother Light we do set free.

3. Beloved Mother Mary, fill all people with your nurturing love so we can be whole and overcome all hatred of the Ma-ter Light because the ego thinks matter itself opposes our freedom to do what we want. Help us see that when we overcome the dualistic illusions of our egos, we will have dominion over the Earth. With the ego, this is impossible, but with God all things are possible. I am willing to have the abundant life, and I love the Ma-ter light unconditionally in all situations from my past.

Hail Healing Mother Flame

**Oh Mother Mary, help us see,
forgiving others sets us free.
Forgiveness will heal every soul,
and thus make every person whole.
In wholeness we are all as one,
and thus our victory is won.**

**Oh Mother Mary, we do love
our Higher Beings up Above.
And thus, we vow to take command
and bring God's kingdom to this land.
As God's own vision now we see,
the Mother Light we do set free.**

4. Beloved Mother Mary, fill all people with your nurturing love so we can be whole and overcome all hatred of the Ma-ter Light because the ego thinks we are being punished for past sins. Help us recognize that we are punishing ourselves by following the ego and the false teachers of anti-christ. Yet we can be free by following our higher selves and spiritual teachers. I am willing to have the abundant life, and I love the Ma-ter light unconditionally in all situations from my past.

**Hail Healing Mother Flame
Oh Mother Mary, help us see,
forgiving others sets us free.
Forgiveness will heal every soul,
and thus make every person whole.
In wholeness we are all as one,
and thus our victory is won.**

**Oh Mother Mary, we do love
our Higher Beings up Above.
And thus, we vow to take command
and bring God's kingdom to this land.
As God's own vision now we see,
the Mother Light we do set free.**

5. Beloved Mother Mary, fill all people with your nurturing love so we can be whole and overcome all hatred of the Ma-ter Light because our bodies are prone to illness, decay and death. Help us recognize that our bodies reflect our state of consciousness and that by transcending ourselves, we will rise above all bodily limitations. I am willing to have the abundant life, and I love the Ma-ter light unconditionally in all situations from my past.

**Hail Healing Mother Flame
Oh Mother Mary, help us see,
forgiving others sets us free.
Forgiveness will heal every soul,
and thus make every person whole.**

**In wholeness we are all as one,
and thus our victory is won.**

**Oh Mother Mary, we do love
our Higher Beings up Above.
And thus, we vow to take command
and bring God's kingdom to this land.
As God's own vision now we see,
the Mother Light we do set free.**

6. Beloved Mother Mary, fill all people with your nurturing love so we can be whole and overcome all hatred of the Ma-ter Light because it seems we have to earn our living by the sweat of our brow. Help us recognize that it is the Father's good pleasure to give us the kingdom, but that we can receive it only when we set ourselves free through non-attachment to the things of this world. I am willing to have the abundant life, and I love the Ma-ter light unconditionally in all situations from my past.

**Hail Healing Mother Flame
Oh Mother Mary, help us see,
forgiving others sets us free.
Forgiveness will heal every soul,
and thus make every person whole.
In wholeness we are all as one,
and thus our victory is won.**

**Oh Mother Mary, we do love
our Higher Beings up Above.
And thus, we vow to take command
and bring God's kingdom to this land.
As God's own vision now we see,
the Mother Light we do set free.**

7. Beloved Mother Mary, fill all people with your nurturing love so we can be whole and overcome all hatred of the Ma-ter Light because the ego thinks we can only be happy when outer conditions are perfect. Help us recognize that happiness is an inner choice that is independent of outer conditions. We can rise above our past through unconditional forgiveness and we can improve our future through unconditional surrender to the will of our own higher Beings. I am willing to have the abundant life, and I love the Ma-ter light unconditionally in all situations from my past.

**Hail Healing Mother Flame
Oh Mother Mary, help us see,
forgiving others sets us free.
Forgiveness will heal every soul,
and thus make every person whole.
In wholeness we are all as one,
and thus our victory is won.**

**Oh Mother Mary, we do love
our Higher Beings up Above.
And thus, we vow to take command
and bring God's kingdom to this land.
As God's own vision now we see,
the Mother Light we do set free.**

8. Beloved Mother Mary, fill all people with your nurturing love so we can be whole and overcome all hatred of the Ma-ter Light because the ego thinks the conditions on Earth are beyond our power to change. Help us recognize that we are only powerless when we allow our egos to separate ourselves from God. With God all things are possible, and by accepting that we are co-creators, who are here to bring God's kingdom into manifestation, we take back our power to have dominion over the Earth. I am willing to have the abundant life, and I love the Ma-ter light unconditionally in all situations from my past.

**Hail Healing Mother Flame
Oh Mother Mary, help us see,
forgiving others sets us free.
Forgiveness will heal every soul,
and thus make every person whole.
In wholeness we are all as one,
and thus our victory is won.**

**Oh Mother Mary, we do love
our Higher Beings up Above.
And thus, we vow to take command
and bring God's kingdom to this land.
As God's own vision now we see,
the Mother Light we do set free.**

9. Beloved Mother Mary, fill all people with your nurturing love so we can be whole and realize the absolute truth that it is holding on to the past that prevents us from receiving the abundant life. It is not by holding on to things from the past but by letting go of them that we open the door to God's kingdom. Help us understand the power of holding the immaculate concept for ourselves, each other and our planet, so that we can let our eye be single and have our whole planet be filled with Light. I am willing to have the abundant life, and I love the Ma-ter light unconditionally in all situations from my past.

**Hail Healing Mother Flame
Oh Mother Mary, help us see,
forgiving others sets us free.
Forgiveness will heal every soul,
and thus make every person whole.
In wholeness we are all as one,
and thus our victory is won.**

Oh Mother Mary, we do love
